**JOINT REQUEST FOR A STATUS CONFERENCE AT THE COURT'S
EARLIEST CONVENIENCE**

Defendants, Actavis MidAtlantic LLC, Alpharma USPD Inc. f/k/a Barre National Inc., and Barre Parent Corp. (collectively "Actavis MidAtlantic"); Par Pharmaceutical, Inc. and Par Pharmaceutical Companies, Inc. (collectively "Par"); Sandoz Inc. f/k/a Geneva Pharmaceuticals Inc. ("Sandoz"); and Watson Pharmaceuticals, Inc. and Watson Pharma, Inc. f/k/a Schein Pharmaceutical, Inc. (collectively, "Watson") and relator Ven-A-Care of the Florida Keys, Inc., hereby jointly request a status and scheduling conference to discuss the issues raised in the parties' Joint Motion to Modify Deadlines.

On March 22, 2011, the parties filed their Joint Motion to Modify Deadlines, requesting additional time to continue potential settlement discussions, conduct discovery and file summary judgment motions in this case. By this motion, the parties sought to extend the current deadlines set forth in CMO 32 by 90 days. On March 23, 2011, the Court denied the parties' motion

without further explanation. Subsequent to that denial, the parties conferred and agreed to file this joint request.

The parties have attempted, and continue to attempt, to reach a mediated resolution of these Federal False Claim Act *qui tam* actions with the assistance of Professor Eric Green, the court appointed mediator, and with the participation of the Department of Justice. The parties believe they will be able to successfully conclude their mediation efforts, at least with regards to certain defendants, within the next eight weeks. The parties believe that a modest extension of the pre-trial deadlines will facilitate settlement and avoid the unnecessary expenditure of litigation resources in the cases resolved.

The parties believe that a status conference would be appropriate at this time to discuss the status of their efforts to resolve this case and also to obtain the Court's guidance on how best to streamline pre-trial proceedings to facilitate the efficient resolution of this case either through trial or settlement. Accordingly, the parties respectfully request a status conference with the Court at its earliest convenience during the week of March 28, 2011, or in any event, before the currently scheduled close of fact discovery on April 15, 2011. If such conference cannot be scheduled before the current deadline, the parties respectfully request a provisional extension of the close of fact discovery until such time as we are able to meet with the Court.

Respectfully submitted this 28th day of March, 2011.
